

**Montreal Outdoor,  
Hunting, Fishing and  
Camping Show**

**For immediate release**

Montreal, June 08, 2018

**A new Hall for an outstanding Show.**

From February 14th to 17th, 2019, The Palais des congrès de Montréal will host, for the very first time, the 58th edition of the Montreal Outdoor, Hunting, Fishing and Camping Show!

After months of analysis and strategic consultation, the owners of this very popular event have decided to relocate the Show to enhance its future.

“The Montreal Outdoor, Hunting, Fishing and Camping Show is a real institution” stated Peter Lockhart, President of the Canadian National Sportsmen’s Shows, “We have been dedicated to the great outdoors and strongly active in the province of Quebec for more than 57 years. As a leader in Canadian consumer shows our heritage is important and our roots are deep. We have seen many generations of lovers of the outdoors, hunters, fishermen, campers, boaters, ATV users, mountain cyclists, trekkers and wild adventure seekers come to our shows to learn, gain experience, be entertained and to buy the latest goods and services,” added Lockhart.

Year after year, the Montreal Outdoor, Hunting, Fishing and Camping Show offers a full spectrum of assorted great outdoor activities and continues to transmit the passion for nature to many new visitors.

The move to the Palais des congrès, with its numerous features and services befitting a highly modern facility, truly compliments the excitement of the Show.

Whether talking about the ease of move-in or move-out for our exhibitors, or the ease of access and egress for visitors, or the flexibility and advantage of being able to install all of the exhibitors on the same show floor, the Show team is very excited to be able to make this important change that will benefit everyone for many future editions of the Show.

The Palais des congrès de Montréal is the perfect venue for our event!

Catherine Paul, Associate Director for Business Development and also in charge of exhibitions at the Palais des congrès, declared: “We are happy to be hosting this major consumer show and our team is enthusiastically preparing itself to greet the passionate fans of this annual event.”

**The Palais, accessible and practical**

Located in the downtown core, the Palais is easily accessible either by car, public transit or on foot, especially since it is directly linked to the Montréal metro system and the underground city. Visitors for the Montreal Outdoor, Hunting, Fishing and Camping Show will also have the opportunity to discover the products and services available year round at the Galeries du Palais, where dozens of merchants are always conveniently open for Montréal tourists, exhibitors or convention-goers and workers in the downtown area and Old Montréal, rain, snow or shine!

**About the Canadian National Sportsmen's Shows**

As a federally chartered not for profit corporation, the Canadian National Sportsmen's Shows is committed to conserving Canada's outdoors and for instilling Canadian youth with an appreciation for nature and outdoor activity. CNSS uses the proceeds from these shows to support and promote outdoor campaigns and programs. Since the first show in 1948, more than \$32,000,000 has been committed to these projects and campaigns.

**About the Palais des congrès de Montréal**

The Palais des congrès de Montréal attracts and hosts conventions, exhibitions, conferences, meetings and other events, and generates major tourism revenues and intellectual wealth for Montréal and Québec, while also contributing to Montréal's international reputation as a premier host city.
