

Passionate about natural health and wellness? We are too. So much so that we are Canada's largest trade association dedicated to natural health and organic products, and we have an **immediate opening** for an event sales professional to help us out with our fall trade show and conference.

What you need to know:

- This is a full-time contract role running until September 1, 2021
- You would be assisting in selling exhibit space and marketing opportunities for [CHFA Connect](#) held September 14 & 15, 2021.
- We have an immediate opening and are looking for the right fit to join us asap.

Who you are:

- An experienced event salesperson who is comfortable making calls to our members. Bonus points if you have experience with virtual events.
- A fast learner who can quickly get up to speed on our event so you're ready to dive in and start making calls (we'll set you up for success with training and tools).
- A caring, nurturing person who has a passion for natural health and organics.
- A natural relationship builder. Even though your time with us is short, you still have our members best interests at heart.
